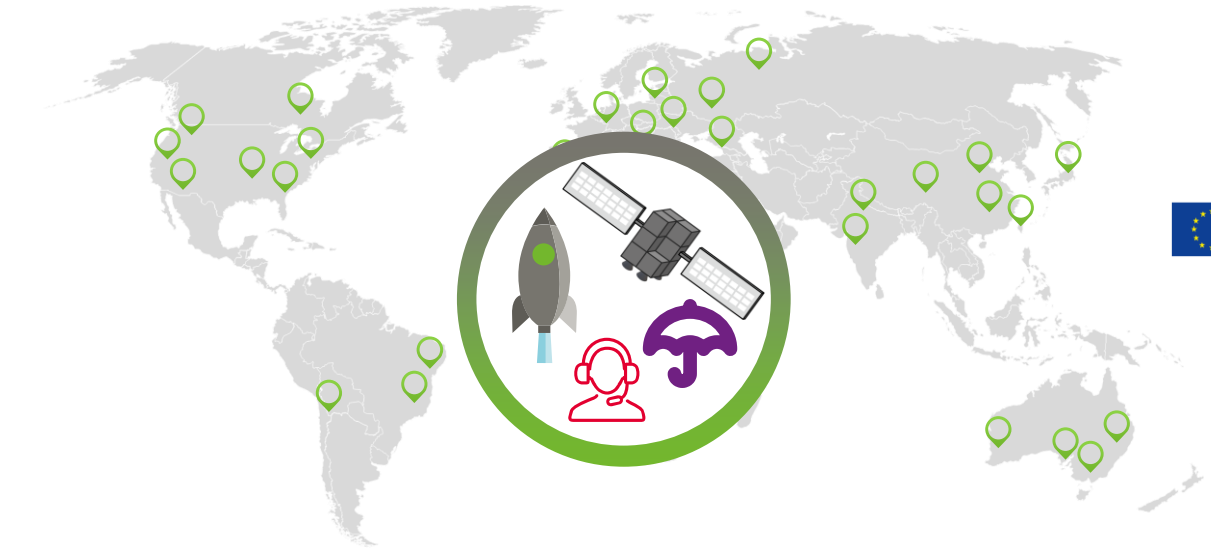
- In-orbit demonstration/validation – space platform & launch services
- Tools for Mission Planning, Management and Procurement

## The Germany based (ESA-BIC supported) company

HOSTMI

- Aggregating and bundling of global space services
- Offering digital project/mission management and procurement tools
- Digital assistance on finding suitable hosting and flight opportunities



esa business incubation centre Darmstadt

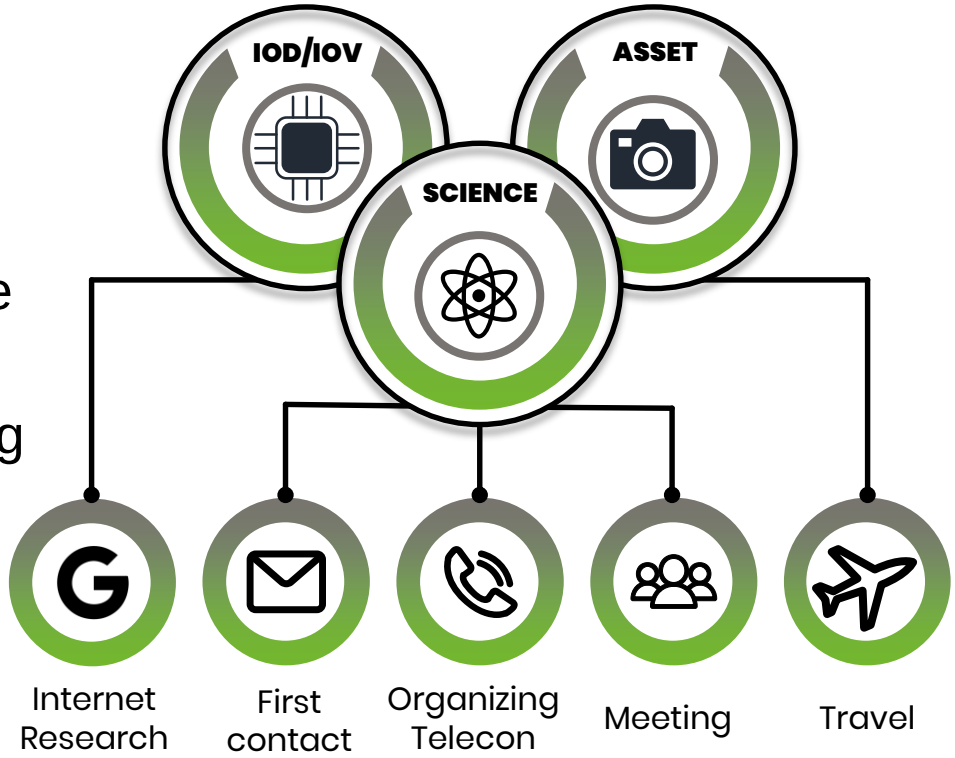
EUROPÄISCHE UNION
Investition in unsere Zukunft
Europäischer Fonds für regionale Entwicklung

2nd Place 2019 Airbus Challenge

# The hurdle to find a possible flight option

**Months to years**

- The challenge for a space payload owner: Finding an appropriate flight-opportunity
- Current analog processes take months up to years
- resource waste only for gaining a rough overview of potential flight options



# The Matchmaking-Solution of HOSTMI

**Just a few clicks**

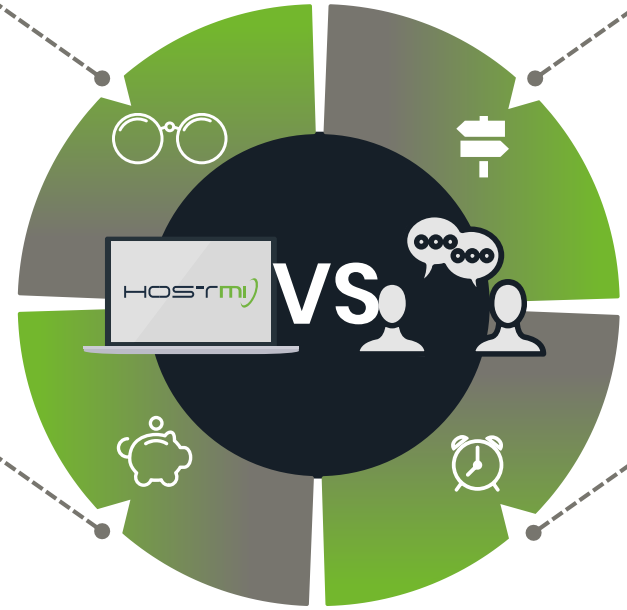
# Benefits of our digital solution compared to current analog procedures

## Transparent Market

Everything you need for your mission is at your finger tips!

## Getting Organized

Focus on what you can do best: Build your Payload! We take care of the rest



## Save Costs

Even when we do the work for you, you still save time and money!

## Higher Efficiency

Days

VS

Months

## Looking for project partners in the following areas:

# Space Payload Owners

- Technology (IOD/IOV)
  - Supplier: space and non-space player
  - Agencies
- Science
  - Commercial R&D
  - Agencies
- Education
