

EMVA Business Conference 2024 Sponsorship Opportunities

In 2024 the EMVA invites the vision community to attend the 22nd EMVA Business Conference, annual highlight event this time taking place at the coast of the Baltic Sea in Gdansk, Poland. From 13th – 15th June 2024 leaders of the Vision Tech Industry will come together and thus offering a unique opportunity for your company to connect and network with the people who matter in our industry.

Soon we will start promoting our event at the EMVA website, at www.business-conference-emva.org and via different international publications and social media channels with advertisements and news.

Such a unique networking event in our industry is an outstanding opportunity to promote your company, its products and services. Increase the visibility of your company; achieve higher brand recognition and image enhancement by becoming an official **EMVA Conference Sponsor**.

Sponsors will receive acknowledgement prior to, during and after the conference through conference materials, the EMVA web presence and our social media channels.
