

**Project idea/ Field of expertise:**

Fibre production → Textile production

**Organisation Name:**

Institut für Textiltechnik RWTH Aachen University

**Adressed challenge(s)/ PPP(s):**

Open for all challenges

**Adressed topic(s) in Work Programme:**

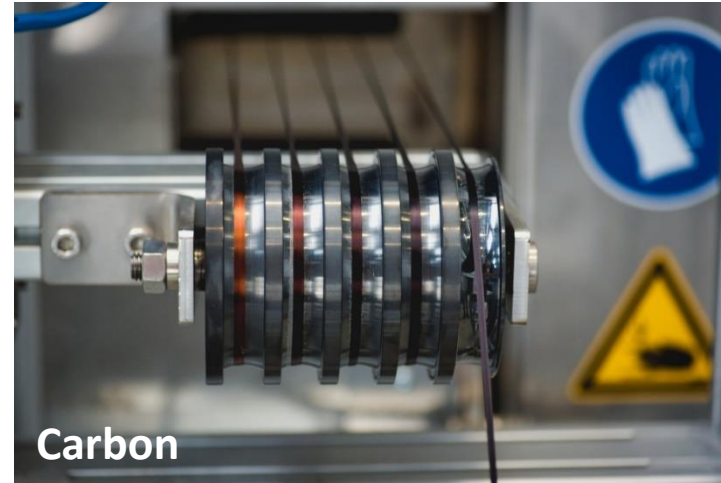

Open for all topics

# Institut für Textiltechnik

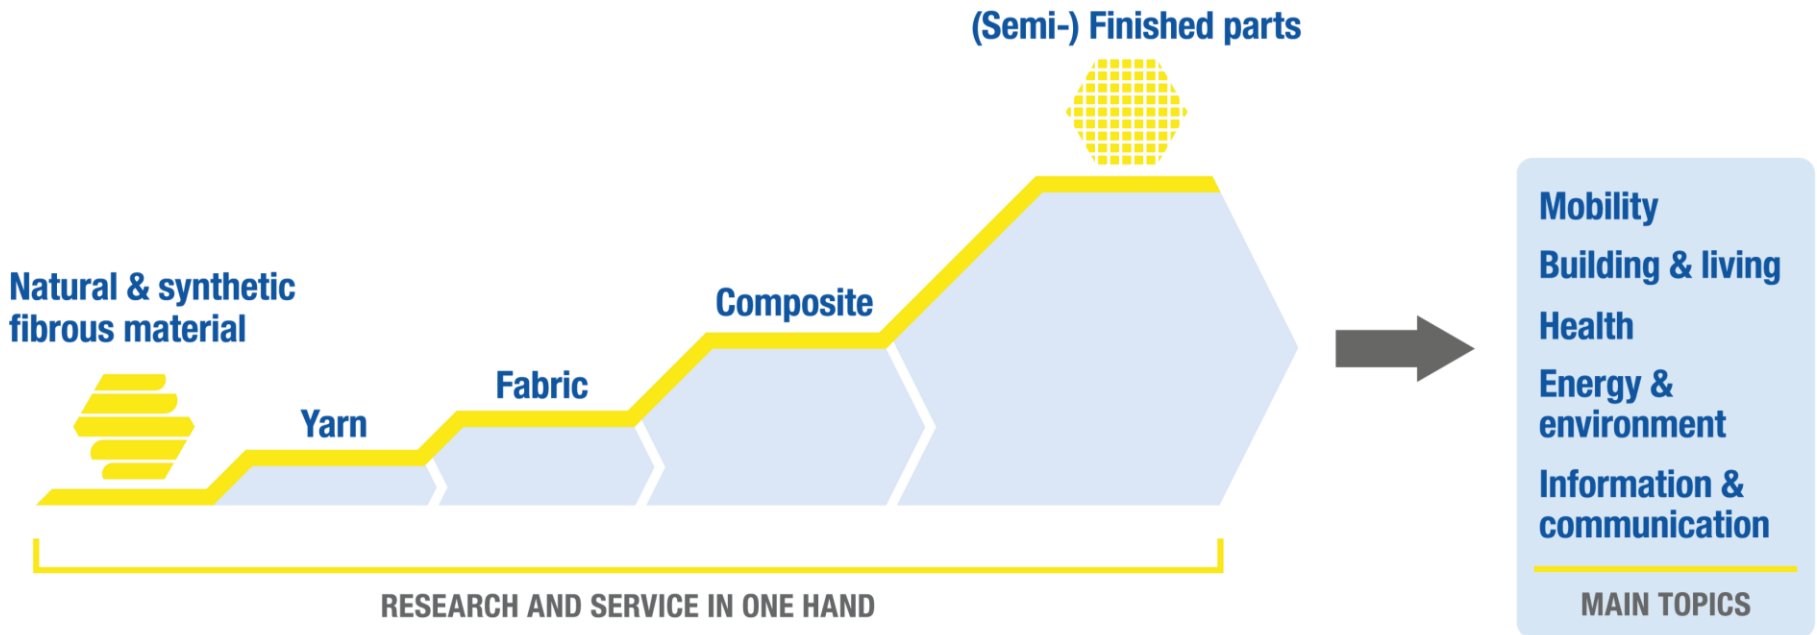

# Institut für Textiltechnik

Just the fiber research...

# Institut für Textiltechnik

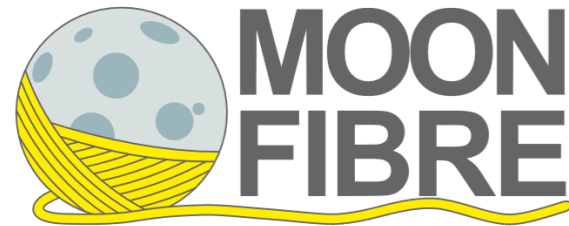

**...and testing along the whole process chain!**

# Our project idea / expertise

- Mainly looking to be part of your idea regarding fibres, textiles, composites
- Experts for scaling up fibre-based processes: TRL 1 – 6

We are open for ideas but we also come up with them:

- MoonFibre for **MoonVillage**

- Next generation of low-cost carbon fibers

# Consortium (if any)

## Known partners / Competence offer

Name	Type	Country	Role in the project
Institut für Textiltechnik	Institute	Germany	Fiber, textile, composite production at smallest industrial scale

## Partner search

Profile	Type	Country	Role in the project
			Strategic partners writing EU proposals
