OUR FOUNDATION AT UTRECHT SCIENCE PARK

The standard we set through our programs and courses is strengthened through our intense cooperation with our founding founders, Utrecht University and the University Medical Center Utrecht.

elevate

HEALTH-NCP-NET 2.0 PROJECT IS FUNDED BY EUROPEAN COMMISSION

Our aim is:

- To **train professionals** across the globe in health & life sciences
- To support high quality health **research capacity building**
- To **reduce the differences in standards of medical care** between countries

Involvement in EU-funded projects

#H2020PartnerHealth
