University of Southern Denmark,  
National Institute of Public Health

University of  
Southern Denmark

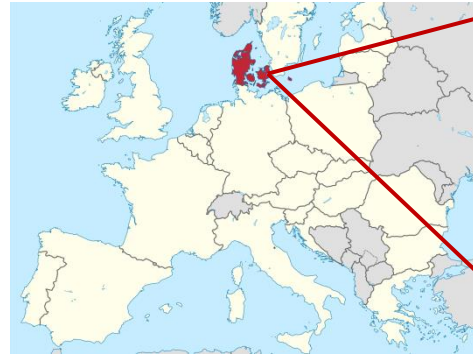

**Dr. Birgitte Holt Andersen**

ApHER

Applied Economics and Health Research Aps

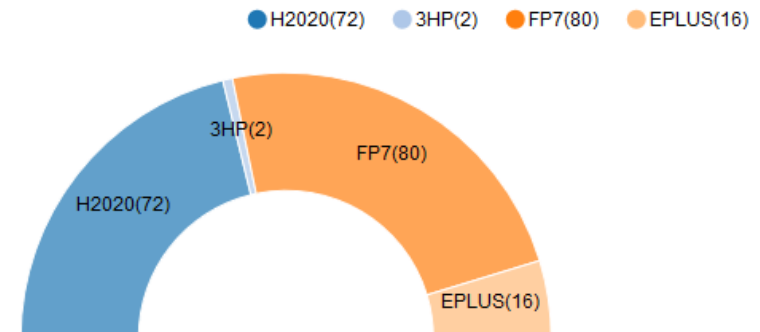

# Organization

- [National Institute of Public Health](#)  
at the University of Southern Denmark

- Area of research:
  - ✓ health,
  - ✓ well-being and morbidity,
  - ✓ health behaviour,
  - ✓ health promotion,
  - ✓ prevention

SDU participation in EU projects:

# Our project idea / expertise

*Interested in joining a consortium responding to the call:*

**SC1-BHC-29-2020**

**Innovative actions for improving urban health and wellbeing - addressing environment, climate and socioeconomic factors**

**Extensive experience with:**

- Register-based data
- Health geography
- Statistical modeling
- Epidemiology
- Environmental health
- Social and geographical inequality in health

# Our project idea / expertise

## Deep knowledge of diverse data sources that are available and can be combined in the project:

- Nationwide individual-level data on health

- National environmental data (air pollution, noise, ...)

- Built environment data

- Housing standards data
