

TUTORIAL B2B MEETINGS

1. Click the button “Register now” on the top right of the front page of the website <https://industryforum2019.b2match.io/>

OR go directly to <https://industryforum2019.b2match.io/signup> if you did not sign in previously.

2. **Sign in** thanks to **your professional e-mail** or active mail account with google / linkedin account.

WARNING : only one email per participant / profile can be used. Avoid emails such as contact@... info@... if several people from your company need to register!

A screenshot of the 'Registration' form. The title is 'Registration'. Below it, the text says 'Choose how to proceed and start signing up for the event.' There are two buttons: 'Continue with LinkedIn' (blue) and 'Continue with Google' (red). Below these is the word 'or'. The 'Enter your email' input field is circled in red. Below it are fields for 'First name', 'Last name', and 'Password'. At the bottom, there is a checkbox with the text: 'By signing up, I agree to b2match's terms of service and privacy policy. I understand that b2match will share my information with event organizer.' and a 'Continue with Email' button.

Grand E-nov

GRAND E-nov is the new innovation agency of the French Grand-Est region.

Created as a public body in 2018, the structure is the outcome of a strong partnership between the Conseil régional and the Chamber of commerce Grand Est. Its aim is to foster regional innovation and R&D activities by providing advanced services to enterprises, public administrations for every type of innovation projects and every sector.

Thanks to a highly qualified staff of more than 40 people and as a member of the Enterprise Europe Network, the agency is able to deliver a wide range of innovation-related services to its local SMEs, enterprises and public partners such as project analysis and engineering (mentoring, strategy building, management of innovation), start-ups support and growth, access to funding at national and EU level (including support to application process) and partner search services and events for technology transfer and R&D projects.

The agency is spread out on 6 different locations (Mulhouse, Strasbourg, Metz, Nancy, Reims and Troyes) to ensure an efficient coverage of its business ecosystem and is committed to ensure an effective and flexible response to every challenge.
