

BULGARIA ECONOMIC FORUM

Your reliable partner in
EU Projects implemenatation

Bulgaria Economic Forum - NGO founded in 1998

Main Objectives:

- to promote the business environment of Bulgaria to potential investors;
- to facilitate the dialogue between different levels of authorities and businesses;
- to develop local territorial attractiveness.

Main Activities:

- project management - more than 20 large-scale projects:
 - ✓ improving business conditions in different economic sectors;
 - ✓ building and enhancing business capacities;
 - ✓ training of entrepreneurs;
 - ✓ promoting innovations among SMEs.
- event management

Project idea: Labour Market and Artificial Intelligence Penetration

Activities:

- Study and analyses of the changes in the labour market caused by the AI penetration;
- Establishing cooperation network
- Common platform (web-based evaluation and advisory tool) – for exchange of experience and knowledge transfer for providing innovative learning systems

Main Expected Result:

- increased competences of individuals and stakeholders to adapt to the fast changes in the labour market caused by AI technologies penetration.

What we offer and what we look for
