

## Guided Tours at Hannover Messe 2020

### Meet Selected Exhibitors from Lower Saxony

Leibniz University Hannover

During Hannover Messe, Leibniz University Hannover, member of the Enterprise Europe Network Lower Saxony, will offer guided tours for international delegations or international visitors to selected exhibitors from Lower Saxony in order to highlight innovations and technologies from the region.

The tours aim to establish contacts for future cooperation between the visiting participants and the exhibitors. Several companies, universities and institutions from Lower Saxony will be presenting their innovative products, technologies, research results and services. The topics are:

- Industrial supply
- Sustainability, resource and energy efficiency
- Digitalization

The tours will be in English and will take approximately 60 to 90 minutes. The tours are free of charge.

If you are planning or accompanying a business delegation to Hannover Messe and are interested in a guided tour for your delegation, please contact:
