

Virtual International Partnering - Innovation in Environment, Energy & Circular Economy

The Enterprise Europe Network welcomes you at the **Virtual International Partnering – Innovation in Environment & Energy & Circular Economy**. With this long-term Partnering Event we will facilitate an online exchange of ideas within the fields waste and recycling, renewable energy, energy efficiency, circular economy and other related topics.

The Virtual International Partnering allows targeted networking and matchmaking for participants from all over the world. Make use of that chance and meet your new business partners online from **1st June until 31st December 2020**.

Target group	SMEs, Start-ups, Research Institutes & Universities
Registration	https://international-partnering-environment-2020.b2match.io/
Date	Permanently open until 31st December 2020
Pricing	Participation is free of charge in 2020
Venue	Online meetings via B2Match (Video conference)
