

A **WATER-SMART** SOCIETY
FOR A **POST-COVID19** **GREEN DEAL**

WELCOME TO THE DIGITAL EDITION OF THE INNOVATIVE WATER WEEK

EXHIBITION MEDIA KIT

VIRTUAL EXHIBITION

Exhibitors opportunities:

- PERSONALIZED BOOTH

- Dedicated exhibitor page
- Video presentation integrated
- Presentations download from your page
- Permanent chat functions - interactions with participants
- Video call feature - interactions with participants

Digital exhibition - WIE2020

Regardless of whether you're promoting a research project, product or offering a service, Water Innovation Europe 2020 exhibition is your opportunity to get up close and personal with your target market and connect with potential customers for your business.

WIE2020 exhibitions stands offer exhibitors a powerful marketing tool to meet potential clients and partners and discuss future projects and collaborations. Products and services can be displayed in front of a targeted audience. For more information, contact ANCA POPA

VIRTUAL EXHIBITION

Steps to be completed

1. Register for WIE2020 - Innovative Water Week
(Applicant - Water Innovation Exhibition)
2. You will be shortly contacted by Events - Water Europe
(A confirmation email will be sent to you by the Events department - now you are in permanent contact with Water Europe)
3. Send to us all required materials:
 - Logo - Png (vector, no background)
 - Video YouTube / Vimeo links
 - Presentations you want added for your page (can be downloaded by participants) - Pdf
 - Pictures or any design supportive materials
 - Contact person - registered for the event as well (picture included)

*All designs will be approved by you beforehand any publishing.

4. Delegate a booth contact person

Each booth has to have at least one contact person that participants can invite for 1-1 meetings in the Virtual Networking Chatroom sessions.

A warm WELCOME to the Water Europe booth that serves also as the Information Desk of WIE2020.

Water Europe (WE) is the voice and promoter of water-related innovation and RTD in Europe. We envision a Water-Smart Society, in which the true value of water is recognized and realized, and all available water sources are managed in such a way that water scarcity and pollution of water are avoided.

Water Europe Publications

For any question you have, please contact our team and after registration book B2B meetings with them:
