Meet Online

Send message

The attendees can find a person they would like to meet and schedule a meeting with him/her on-site or online

Once the meeting request is accepted, the meeting is added to attendees' agenda

Online meetings happen directly at b2match, there is no need for an external provider

Please pick a timeslot for your meeting

Time zone for the meetings: Africa/Cairo

Edit

This meeting will take place on the b2match platform as an online video conference

Wednesday, June 10, 2020

How does it work?

Each attendee has his/her own Event Agenda with listed meetings. Additionally, they can send messages.

This solution is included in all our plans and already helped many events.
