Who are we, and what do we do?

Opportunities for the Polish-Finnish ICT Sector

Michał Zacher, Board Member and Jakub Jarosz, Cluster Coordinator | August 8th, 2020

01 WHO WE ARE AND WHAT ARE OUR GOALS?

ITCorner is an **association of over 80 technology companies** from all over Poland.

The cluster was established in 2012 in the capital of Lower Silesia, Wrocław where also its headquarters is based.

1. **We promote** and support the development of companies associated in the organization.
2. **We provide** access to knowledge and we help in developing competences.
3. **We create** space for interesting solutions and initiatives.
4. **We have an impact** on our social and business environment.
5. **We cooperate** with organizations and institutions.
