**Enterprise Europe Network Central European Summit**  
*Force of networks in the economic recovery*

A 7 years long historical Enterprise Europe Network period is about to terminate at the end of December and a new cycle is starting for the Network on the 1st January 2022. Enterprise Europe Network has been served as an effective tool in business development of the **Central European region** even in the difficult years of COVID.

It is worth to stop for a moment, review lessons learnt, share among Network partners and incorporate them in the future operation.

Using this occasion we are warmly inviting **Enterprise Europe Network partners to the Central European Summit**, a discussion forum on the **future cooperation opportunities**
