AGENCE FRANÇAISE DE DÉVELOPPEMENT | FRENCH DEVELOPMENT AGENCY

AFD Group

- The Agence Française de Développement (AFD) Group funds, supports and accelerates the transition to a fairer and more sustainable world. Our teams carry out more than 4,000 projects in France's overseas departments and territories and another 115 countries and contribute to the commitment of France and French people to support the Sustainable Development Goals (SDGs).

European Union

- The European Union, represented by the European Commission seeks to foster economically, socially and environmentally sustainable development in an integrated and holistic way. Meanwhile, the European Union is committed to mainstreaming digital solutions and technologies in the EU development policy

DEF will develop a holistic approach for the long-term sustainability of energy systems

The energy sector is facing key changes which have disrupted the structure of the network:
