MINISTERIUM FÜR WIRTSCHAFT, ARBEIT UND TOURISMUS

# AIM AI4DT – B2B Matchmaking for Companies

network companies  
in the field  
of Digital Twin (DT)  
and Artificial Intelligence (AI)

show benefits  
with demonstrators  
in the fieldlabs

provide companies  
with easy access to  
solutions, experts  
and knowledge

provide information  
about funding opportunities

initiate projects  
in the network

build a community  
of companies, universities,  
research institutions and  
business networks

# Business Ecosystem AI4DT – What we do

# We look forward to meet you in our networking platform [AI4DT.com](https://AI4DT.com)
