Experience of nature „Kaisergebirge“

- **Nature reserve** since 1963
- About 92 km² in size, particularly high biodiversity
- Kaiserlift (2015 newly renovated) - single chairlift, deceleration
- Since 2016 guided adventure tours in cooperation with **Natopia**
- **Focus: Environmental Education**
 - Making nature a playful and sensual experience
 - Making the value of nature tangible, especially for children and young people, families,...
 - Create and develop awareness for nature and environmental protection

Highlights in the Kaisergebirge:

- Kaiserlift
- Alpine pharmacy
- Power and awareness places
- Newly created nature experience trail

Kaisertal (Kaiser valley)

- until 2008 only accessible on foot via about 300 steps; tunnel construction - only for locals (35 pax)
- local recreation in the Kaisertal valley between the Zahmer Kaiser and the Wilder Kaiser rock massif
- small-scale agriculture, mainly manual cultivation of the alpine pastures
