

Call for expression of interest

WEgate Summit 2021
(Thursday, 7th of October 2021)

We invite members of the WEgate Community Council to submit their interest in organizing activities dedicated to women entrepreneurship under the umbrella of the WEgate Summit.

The WEgate Summit represents a unique opportunity for the WE community and stakeholders to take stock of the challenges and opportunities existing in the European entrepreneurial environment, and have a constructive conversation on those topics that are the most relevant at a specific moment. In 2021, the WEgate Summit will look towards the future, aiming to set the ground for discussion on WE's role in the new socio-economic reality, with a focus on green and digital transitions.

The goal of such collaboration is to include and represent at WEgate's main event the diversity and expertise of its community, providing the event's platform to the Community Council members to promote their activities and increase their visibility at international level.

Examples of potential activities: practical workshops related to business topics; info sessions on relevant matters at national level; networking activities; panels & debates etc.

General considerations and requirements:

- The activities should align with the thematic of the summit, and propose a variety of topics and formats, in accordance with the organizing partner's experience and interest;
- The activities should take place **online** during the days leading to the WEgate Summit: **4, 5 or 6th of October 2021**;
- They can take place in English or in the national language of the organizing partner;
- The activities should include branding elements as indicated by the WEgate team (e.g. the mention "In partnership with the WEgate Summit")
- The partner is completely **independent in organizing the activity** (including financially), choosing the format and the online platform to be used. The WEgate team will support in promoting the activity in the framework of the overall communication strategy about the WEgate Summit.

Submit your expression of interest by sending a short description of the proposed activity (max 1 page), including how the activity aligns with the Summit's thematic, to Loredana Bucseanu at loredana.bucseanu@esba-europe.org by the 20th of June 2021.
