Business Support on Your Doorstep

WHAT?

- **Brokerage Event:** Meet other buyers interested in consortium and meet providers of innovative solutions for your challenges
- **PPI Workshops**

WHO?

Innovation Project Managers of Public entities

- Plan to launch a Public Procurement of Innovation PCP/PPI tender in 1, 2 or 3 years
- Have an open tender in public procurement of innovation

WHY?

- **Attract other buyers** interested in your future tender, making international buyers consortiums.
- **Gain knowledge** about the market situation meeting innovative solution providers.

Research -Japan

"An excellent opportunity to expose our project to the world for finding potential partners and learn what are going on in countries/cities located in various continents which are unreachable by ourselves."

Francisco Javier Ridruejo
Logroño City Council

"The program on public procurement of innovation has been very valuable for us. We could get interesting proposals for our procurement needs and we established contact with several interesting companies from different countries."
