1. Introduction

The European Commission is committed to protect your personal data and to respect your privacy. The Commission collects and further processes personal data pursuant to [Regulation \(EU\) 2018/1725](#) of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data.

This privacy statement explains the reason for the processing of your personal data in the context of the **AMR Conference in Thailand** organised by the European Commission. It explains the way we collect, handle and ensure protection of all personal data provided, how that information is used and what rights you have in relation to your personal data. It also specifies the contact details of the responsible Data Controller with whom you may exercise your rights, the Data Protection Officer and the European Data Protection Supervisor.

The information in relation to the processing of personal data linked to the specific event, organised by the services of the European Commission, is presented below.

2. Why and how do we process your personal data?

Purpose of the processing operation: the European Commission collects and further processes your personal data to provide you with information about the specific **AMR Conference in Thailand** (before, during and after) and to process your application for participation in that conference.

Your personal data will not be used for any automated decision-making including profiling.

Live web-streaming and audio-visual recording at **AMR Conference in Thailand** of the speakers, organisers and participants, as well as photographs of the speakers and panoramic photographs of participants and organisers will be taken and published in the context of the **AMR Conference in Thailand**.

The non-speaker participants are not photographed individually. They may however appear on panoramic photographs of the whole event/audience.

Participants that do not wish to be part of the above web-streaming and recording/publishing activities have the possibility to object to processing, thus not registering to the event.

3. On what legal ground(s) do we process your personal data?

The processing operations on personal data, linked to the organisation, management, follow-up and promotion of the **AMR Conference in Thailand** (including web-streaming, photos, audio-visual recording) are necessary for the management and functioning of the Commission, as mandated by the Treaties. Those provisions are in particular Article 11 of the Treaty on European Union and Article 15 of the Treaty on the Functioning of the European Union.

Consequently, those processing operations are lawful under Article 5(1)(a) of Regulation (EU) 2018/1725 (processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the Union institution or body).

The processing operations on personal data of the speakers for the **AMR Conference in Thailand** with whom a contract is concluded, are carried out in line with the contractual provisions. Consequently, that processing is necessary and lawful under Article 5(1)(c) of Regulation (EU) 2018/1725 (processing is necessary for the performance of a contract to which the data subject is party or in order to take steps at the request of the data subject prior to entering into a contract).

By registering on the Website, your consent is granted for the following actions during the conference:

- the processing of your personal data relating to your access requirements;
- the sharing of the **AMR Conference in Thailand** participants list containing your name and affiliation with other participants.
- the processing of your personal data for inviting you to future events the data controller or the EU Delegation to Thailand may organise, such as the subsequent AMR Workshops in India, Japan and China;
- Live web-streaming and audio-visual recording at the conference, as well as photographs of the speakers and panoramic photographs of participants and organisers.

If you opt-in, you are giving us your explicit consent under Article 5(1)(d) of Regulation (EU) 2018/1725 to process your personal data for those specific purposes. You can give your consent via a clear affirmative act by filling and ticking the boxes on the online registration form.

Your consent for these services can be withdrawn at any time by sending an email to: jarka.gonzalez@candm.sk.

All processing operations are carried out pursuant to [Commission Decision \(EU, Euratom\) 2017/46](#) of 10 January 2017 on the security of communication and information systems in the European Commission.

In order to protect your personal data, the Commission has put in place a number of technical and organisational measures. Technical measures include appropriate actions to address online security, risk of data loss, alteration of data or unauthorised access, taking into consideration the risk presented by the processing and the nature of the personal data being processed.
