

Your invitation for WHINN – Week of Health and INNovation 2021

Join us at WHINN 2021, the international two-day conference for life science and health tech.

WHINN 2021 is organized as a festival for research and know-how. You can participate in various events, exhibitions, matchmaking, and a variety of networking activities, such as WHINN Bits, Beers & Dine. It all takes place on the 22-23rd of September 2021 at Forskerparken 10H, Odense, Denmark.

Wednesday the 22th of September:

- **Digital transformation in healthcare – how do we find the balance?**
Full-day program
- **How to fund for projects developing AI solutions**
Half-day program (morning)
- **The future of research in health care – how do we make it relevant for the individual citizen?**
Half-day program (morning)
- **Better use of data – the key to coherence in care and health?**
Half-day program (afternoon)
- **Tech Talk – why is health data relevant?**
Half-day program (afternoon)
- **Innovative patient-centered robots – what are we waiting for?**
Half-day program (afternoon)
- **WHINN Bits, Beers & Dine**
Evening event

Thursday the 23rd of September:

- **Visionary seminar – will the future of precision medicine transform the healthcare system?**
Full-day program
- **Integrated Care - in a Future with Health Clusters**
Full-day program

Register and get your ticket [here](#). For more information about the conference and program visit whinn.dk
