Eureka GlobalStars

GlobalStars is a Eureka programme promoting international innovation cooperation between Eureka members and innovative markets outside of the network.

- Stimulating joint industrial market-oriented R&D projects of SME's, corporations and research institutes.
- Joint call
- 1+1 (or more) projects (each funding body funds their own applicants).
- Executed by funding bodies in the field of innovation, economic development, business support
 - Funding bodies decide on common evaluation criteria
 - Common launch of a call for project ideas
 - Synchronised application deadlines
 - Pulling resources together: critical mass
