

2021 NHRI LEADERSHIP FORUM

LEADING WITH OTHERS: NURTURING RESILIENT AND EFFECTIVE NHRI LEADERSHIP

KEY DETAILS AND DATES

WHERE: DEDICATED ONLINE PLATFORM

WHEN: SHORT WEDNESDAY AND FRIDAY SESSIONS BETWEEN 10 - 26 NOVEMBER 2021

FOR WHOM: HEADS OF NHRIs (ENNHRI MEMBERS)

Heads of NHRIs often have few peers in-country to exchange with on leadership dilemmas, complicated decisions and conflicting demands they face. COVID-19 has made the situation even harder.

By nurturing your leadership skills and offering opportunities for discussion and reflection, the Leadership Forum will equip you and your NHRI to navigate these complex realities and emerge stronger.

A SAFE SPACE FOR CONFIDENTIAL DISCUSSION

We are committed to creating a space where all participants feel included, respected, and free to talk openly.

We guarantee full confidentiality - the online platform has safe communication channels and no sessions will be recorded. Furthermore, a code of conduct is in place and will be shared before the event.

WHAT'S IN IT FOR YOU?

Understand and refine your leadership.

Enhance skills in areas critical to you and your institution.

Find solutions and approaches to issues together with experts and other leaders.

The event will also help us at ENNHRI shape and tailor our support for you in the future.
