EU-Japan Business Matchmaking with Vietnam 2022

Please join our pre-event in English on 3 March from 10:00 (CET) to learn more about this opportunity and have your questions answered! Please register [here](#).

The EU-Japan Business Matchmaking with Vietnam is a one-year virtual B2B matchmaking platform that aims at facilitating the connection between EU, Japanese and Vietnamese companies for trilateral joint projects in Vietnam.

By hosting various seminars and matchmaking events, the platform will provide opportunities for European, Japanese, and Vietnamese companies to network and discuss potential partnerships.

Access to this platform is reserved for registered participants only. Only those whose registration has been authorised by the organisers will be eligible to participate in upcoming events.

Target fields of the platform

- 1) Infrastructure
- 2) Manufacturing
- 3) Smart Cities
- 4) Green Technology

Kick-off event

Outline

The platform will be launched with a webinar on 7 March 2022, followed by 2 days of virtual B2B matchmaking on 8 and 9 March 2022.

The full programme of the event is available in [Agenda](#) or in [this PDF](#).

You can send meeting requests directly to the person behind the profile

The image shows a screenshot of a b2match profile for Mark Rijntjes, who is associated with the EU-Japan Centre for Industrial Cooperation in Tokyo, Japan. The profile includes a circular logo with 'MR' and a bookmark icon. Below the name and affiliation, there are two buttons: 'Request meeting' and 'Send message'. Two callout boxes provide instructions: one for 'Request meeting' stating it is to invite the other party for a video call on b2match, and another for 'Send message' stating it is to send a short direct message. To the right, the full profile details for the EU-Japan Centre for Industrial Cooperation are visible, including its description as a joint venture established in 1987, its areas of focus (Smart Services), and its registration date (December 17, 2020).
