

TEXTILE CONNECT 2022

VIRTUAL MATCHMAKING

4-6 MAY

**Do you work with design, fashion and textiles?
Are you looking for new business partners?**

Sign up for virtual prebooked meetings!

Textile Connect is the online platform that connects companies/designers looking for production partners with manufacturers, service providers and suppliers within the textile and footwear industry. For the third time, we arrange an online matchmaking event that will organize buyer-supplier meetings. This year, the matchmaking will be held between the 4-6 of May.

In recent years (2020 and 2021), this event has attracted more than 1,000 textile companies and designers from all over the world, many international cooperation agreements have been signed. The companies enjoyed the opportunity to make useful international contacts via this platform.

Feedback from last year's matchmaking:

"The event was great. The technology worked fantastically, and the meetings were efficient and calm. I am super happy and I have already found several potential business partners."

"I found Textile Connect 2021 very useful for both my business and expanding personal understanding about the textiles, solutions available, and exciting innovations in the industry. It was definitely worth my time since I discovered several potential partnerships during the event".

**As soon as we know what you are looking for we can help
you to find your future business partner!**
