

A photograph of the University of Strasbourg building, a grand neoclassical structure with a central pediment featuring a statue of Minerva. The inscription 'LITTERIS ET PATRIAE' is visible above the entrance. The building is flanked by large trees with green foliage. Several people are walking on the steps and benches in front of the building.

5 University technology degrees

36 licence professionnelle degrees

1 Business School degree

1 Sciences Po Strasbourg degree

8 Engineering degrees

10 doctoral **schools**,

2063 PhD students,

200 joint PhD

A large, ornate stone sculpture of a female figure, likely representing the University of Strasbourg, standing on a pedestal. She holds a torch in her right hand and a laurel wreath in her left. She is flanked by two seated female figures. The entire sculpture is set against a clear blue sky. Below the sculpture, the Latin motto "LITTERIS · ET · PATRIAE." is inscribed in gold letters on a stone base.

LITTERIS · ET · PATRIAE.

The international students welcoming quality

'Bienvenue en France' label

The **University of Strasbourg** was awarded the label "Bienvenue en France" label with **3 stars** (the highest level) in July 2019 affirming the quality of the institution's international welcome services.

The **buddy program** is one of the actions aimed at improving the welcoming of international students, thanks to the 'Bienvenue en France' label.

Buddy program

A student from the University of Strasbourg becomes the **buddy/mentor** of an international student.

Tailor-made short-term program

A **tailor-made academic** and **cultural program** for your students.

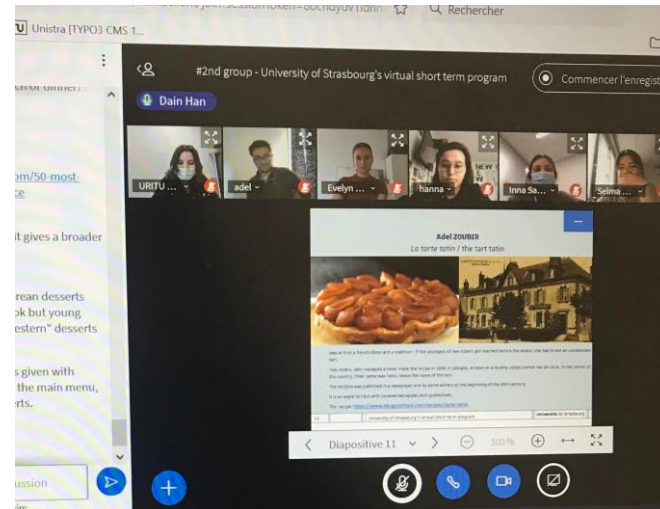

A **dedicated team** at your disposal to design your short program covering the **4 fields of training and research**.

Make your short-term program at the University of Strasbourg

You can include:

→ **Cultural activities:** visits to the European institutions, Unesco sites in Strasbourg, etc.

→ A program of **meetings and discussions** with **students from Strasbourg**.

Make your short-term program at the University of Strasbourg

The short-term program courses may be:

- taught in **English**, **French** or **both**
- **In-class**, **virtual** or **hybrid**
- Over a period of **one**, **two** or **three weeks**

Download the short-term program brochure

For more information on the short-term program possibilities, please contact Maria Uritu: uritu@unistra.fr

Academic coordinators

In each of University of Strasbourg's faculty, school and institute, there is at least one **contact person** to assist the in the preparation of your study and internship project abroad.

List of academic coordinators

The university and its surroundings

🗨 cross-border region: bi-national and bi-cultural French-German

📍 city in the heart of Europe, in the Upper Rhine region

🏛 seat of the European Parliament, the Council of Europe, the European Court of Human Rights and the European Pharmacopoeia.

Strasbourg - proximity to Germany and Switzerland

 **20 minutes** by tram
from the centre of Strasbourg

 **10 minutes** by bike from the
central campus, 'Campus Central'

 **Karlsruhe, Freiburg and Basel**
in less than **1.5 hours** by train

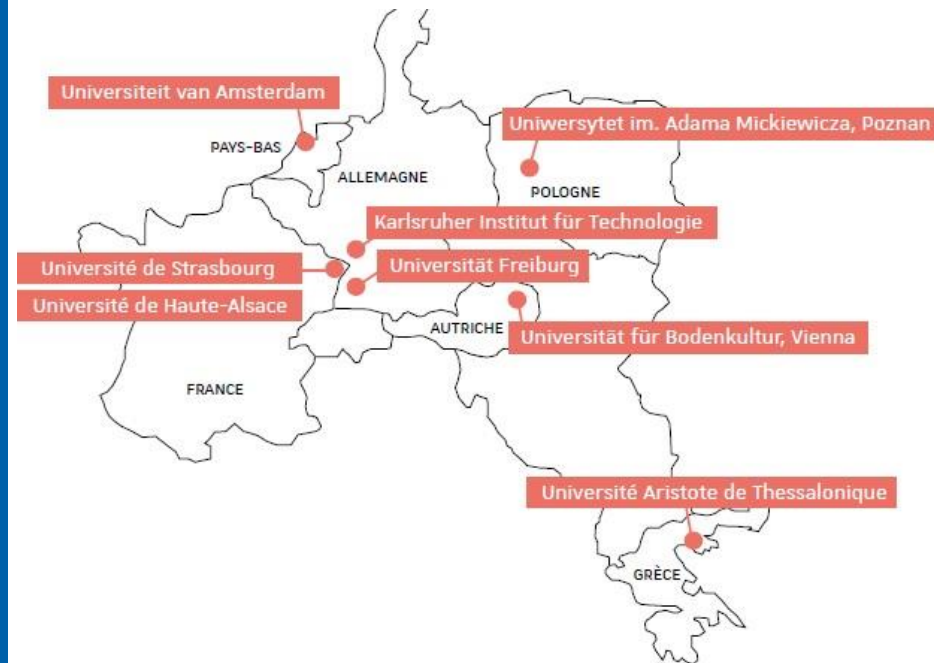

The University of Strasbourg, founding members

→ strong alliances in training and research

Created in 2019, the **EPICUR** (European Partnership for an Innovative Campus Unifying Regions) strategic alliance brings together 8 partner universities across Europe.

It is **steered** by the **University of Strasbourg**.

The University of Strasbourg, founding members

→ strong alliances in training and research

EUCOR - The European Campus is a network that has become a pillar of **cross-border cooperation** by bringing together the universities of Basel, Freiburg, Mulhouse, Strasbourg and the Karlsruhe Institute of Technology (KIT).
