

CEE Smart City Expo & B2B Forum

Budapest, 24 May 2022
Hosting TÖOSZ – Assembly of Delegates

The Embassy of the Czech Republic in Budapest, CzechTrade office in Budapest, Brno Regional Chamber of Commerce, the Chamber of Commerce and Industry of Hajdú-Bihar County, the Hungarian National Association of Local Authorities (TÖOSZ), Digital Success Programme, Óbuda University and South Moravian Innovation Center (JIC), supported by other EEN partners, are pleased to invite you to participate at City For The Future Budapest 2022 - Smart City Expo & B2B Forum.

New technologies have been and will be a key for the development of modern cities. Having this in mind, we have brought together leading smart city companies to present their most promising innovations and solutions that could help to achieve our ultimate goal: to turn urban areas into places where people thrive, feel at home and desire to spend their lives.

City For The Future Budapest 2022: Smart City Expo & Business Forum offers you the possibility to learn more about the current technology trends in the field of smart city and meet with innovative smart city solution providers.

Date: 24th May, 2022 / 9:00 - 16:00
