Data Protection Officer of the Ministry of Transport and Communications e-mail [duomenuapsauga@sumin.lt](mailto:duomenuapsauga@sumin.lt).

**For what purposes we process your personal data and under what legal basis?**

If you decide to attend the event, your personal data will be processed for the following purposes: to organize the event, to manage your participation in the event (including confirming your participation), to identify and invite speakers to the plenary session, moderators and participants, to share event content (video and audio recording) via the live streaming platform, to share event content between participants and receive feedback from them.

The processing of personal data for the specified purposes is based on your consent (Article 6 (1) (a) of the Regulation<sup>1</sup>).

During the event video and audio recording for communication purposes will be taken based on your consent (Article 6 (1) (a) of the Regulation).

Participants of the event will be able to actively engage via questions and comments which will be recorded on the conference platform through chat messages (Microsoft Teams). Recorded chat messages and questions sent via the conference platform will only be available to participants and will not be stored after the event.

**What kind of personal data do we process?**

We process the following personal data if you participate in the event:

<b>Identification and contact details</b>	First and last name, your organization name, your job position, e-mail address, phone number, your picture (if voluntary uploaded)
<b>Data contained in a video and audio recording</b>	Voice, image (if participating in the event as a participant, speaker, moderator)
<b>Data in photos</b>	Image

---

<sup>1</sup> Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation)

Registration data are collected through the B2Match platform (managed by B2Match GmbH, more details in the privacy policy <https://www.b2match.com/privacy-policy>). The data collected will be stored on the B2Match platform.

The Ministry of Transport and Communications receives your personal data directly from you. Please note that participation in the event is voluntary, but if you decide to attend the event, you must provide your personal data above, as without them you will not be able to attend the event.

### **Do we share your data with other organisations?**

In order to organize the event the Ministry of Transport and Communications will be supported by its contractor the State Enterprise Šviesos ir garso dizainas (e-mail [info@showart.lt](mailto:info@showart.lt)) in this sense they will act as data processor.

The transfer of personal data to third countries is not foreseen.

### **How long will your personal data be stored?**

Your personal data and the video and audio recording made during the event will be processed on the B2Match platform until 31 December 2025, after the end of the activities envisaged in the Lithuanian Economic Recovery and Resilience Building Plan “New Generation Lithuania”. At the end of the retention period, personal data, video and audio recording on the B2Match platform will be deleted.

Personal data related to participation in the event will be stored for archiving purposes in the Ministry of Transport and Communications for five years after the event. At the end of the retention period, personal data will be deleted.

The video and audio recording made during the event for archiving purposes will be stored by the Ministry of Transport and Communications for five years after the event. At the end of the storage period, the video and audio recording will be deleted.

## **PHOTOGRAPHY AT THE EVENT**

Photographs will be taken during this event. The photos can show, among other things, the participants of the events.

### **For what purposes we process your personal data and under what legal basis?**

If you decide to participate in the event, your personal data as an event participant, if you are visible in the photos, will be processed in order to inform public about the event through external communication channels (Ministry of Transport and Communications social media accounts (Facebook, LinkedIn, Twitter, Youtube), on the website of the Ministry of Transport and Communications, etc.), to prepare articles for the media and other texts for social networks, on the website of the Ministry of Transport and Communications, etc., which may be published together with photos taken during the event.

The processing of personal data for the specified purposes is based on the legitimate interests of the Ministry of Transport and Communications (Article 6 (1) (f) of the Regulation). Legitimate interests of the Ministry of Transport and Communications – informing public about the activities of the Ministry of Transport and Communications.

### **What kind of personal data do we process?**

If you are seen in the photos, your image will be processed.

Ministry of Transport and Communications receives your personal data directly from you.

**Do we share your data with other organisations?**

Photos of the event will be published on external communication channels (the Ministry of Transport and Communications social media accounts (Facebook, LinkedIn, Twitter, Youtube), on the website of the Ministry of Transport and Communications, etc.) and to national, regional and local, Internet news portals, television).

**How long will your personal data be stored?**

Photos taken during the event, in which you are visible, are stored and published for ten years from the end of the event. At the end of the retention period, personal data will be deleted.

**What rights do you have and how do you exercise them?**

As a data subject, you have the following rights:

1. the right to be informed about the processing;
2. the right of access to the data;
3. the right to rectification;
4. the right to erasure ("right to be forgotten");
5. the right to restriction of processing;
6. the right to lodge a complaint with the supervisory authority.

A more detailed procedure for the implementation of the data subject's rights is published on the website of the Ministry of Transport and Communications at [www.sumin.lrv.lt](http://www.sumin.lrv.lt) in the section "Personal Data Protection" and "Information on Personal Data Processed by the Ministry of Transport and Communications".

Please be informed that if you do not agree with the decision of the Ministry of Transport and Communications regarding your request related to the implementation of your rights as a data subject, you or your representative, as well as your authorized non-for-profit body, organization or association that meets the requirements of Article 80 of the Regulation, have the right to lodge a complaint with the State Data Protection Inspectorate, L. Sapiegos str. 17, Vilnius, e-mail [ada@ada.lt](mailto:ada@ada.lt), website [www.vdai.lrv.lt](http://www.vdai.lrv.lt) or the Vilnius Regional Administrative Court.
