

EU Brokerage Event

on Industrial KET* in Horizon Europe

*Key Enabling Technologies

10th November 2022 • Strasbourg

Conference &
Bilateral/B2B Meetings

Calls
2023- 2024

Project idea/ Field of expertise:

Supporting proposals value chain from ideation to full projects and execution !!

Organisation Name:

Atlantis Innovation Ltd

Addressed topic(s):

Cluster 4:

HORIZON-CL4-2023-DIGITAL-EMERGING-01-01: Industrial leadership in AI, Data and Robotics – advanced human robot interaction (AI Data and Robotics Partnership) (RIA)

Deadline: 29 Mar 2023

ATLANTIS (Research and Innovation Consultancy): We support organisations in designing, deploying and funding their research, technology and innovation ventures.

Expertise:

Design and development of scientific and technological projects from concepts/ideation phase to full proposal and projects for funding via different avenues. (Horizon EU, global grants, Investments)

Experience:

15+ years of experience, 200 million+ euros secured, Supported 100s of proposals development and managed multiple projects in execution since FP7.

Our Sectors:

Manufacturing and materials, Digital, AI, Robotics technologies, Aviation, Transport and space, Healthcare, Environment and sustainability, Process industry, Agriculture etc.

Our project ideas / expertise

PROJECT IDEA:

Cognitive combination of robotics systems(twin) to monitor, inspect and perform maintenance functions in collaboration with humans on assets like wind turbines, solar farms and bridges infrastructures.

REQUEST for Partners:

Partners having expertise in:

- Cognitive autonomous robots' system,
- Data, AI, Analytics,
- Advanced robotic actuators systems,
- Organisation having asset integrity experience in wind turbines, solar farm and infrastructure maintenance.,
- Digital twin platform developers,
- Human-robots interaction experts,
- Human centered design and social experts,

More information about the project will be shared with relevant partners, please, send your expressions of interest at: collab@atlantisinnovation.co.uk
