

# XIX. BIONNALE 2022

MAY 11/12, 2022 | BERLIN

## Why BIONNALE?

BIONNALE is the largest networking event for life sciences and healthcare industries in one of Europe's leading life sciences locations – the German capital region Berlin-Brandenburg. Representatives from academia and industry attend the annual event to identify, engage and enter into strategic relationships. The networking character is one strength of the multi-sessional, international event with more than 1000 attendees last year.
