Street	
Web	<a href="https://www.temma.gr/en/company">https://www.temma.gr/en/company</a>

## Contact

Name	Dimitris Papazogloy
------	---------------------

## Description

TEMMA was established in 1961 and specializes in the manufacturing of high-precision metal components. The company operates out of owned , 4.000m2 facilities in Athens. Consistent and sunstainable growth as well dynamic international collaborations have dinstinguished TEMMA as leading force of the Greek industry. Furthermore, its high competitiveness has granted the company recognition as a manufacturer of high-tech products for the Defense and Aerospace Industry.

# PRISMA ELECTRONICS S.A

## Company

Country	Greece
City	/
Street	
Web	<a href="https://www.prismaelectronics.eu/index.php/en/">https://www.prismaelectronics.eu/index.php/en/</a>

## Contact

Name	Christos Giordamlis
------	---------------------

## Description

Prisma Electronics provides technology-based solutions for businesses and organizations. Through its R&D and technical divisions Prisma Electronics designs, develops, and manufactures a wide array of IT, smart-grid and wireless-based systems, and integrated electronic components. Based in Northern Greece, Prisma Electronics is proud to offer commercial and custom solutions to its clients worldwide.

# ALEXMOLDS S.A.

## Company

Country	Greece
City	/
Street	
Web	<a href="https://www.alexmolds.gr/">https://www.alexmolds.gr/</a>

## Contact

Name	John Alexopoulos
------	------------------

## Description

Alexmolds is a family owned company (2nd generation), that specializes in high end precision parts manufacturing, as well as in molds and tools design and manufacturing.

# ELFON LTD

## Company

Country	Greece
City	/
Street	
Web	<a href="https://www.elfon.gr">https://www.elfon.gr</a>

## Contact

------	--------------------

## Description

ELFON is a manufacturer of Wiring Harnesses and Electromechanical Assemblies, based in Greece. Design, manufacture, and deliver high reliability, certified OEM products for the aviation, space, and defense industries, worldwide. Its products are integrated with large systems, such as aircraft, spacecraft, missile systems, radars, and machinery. ELFON is a supplier to world-class Aviation and Space companies, like Lockheed Martin, Dassault, Raytheon, MBDA, OHB, THALES, LEONARDO, and others.

# FEAC ENGINEERING

## Company

Country	Greece
City	/
Street	
Web	<a href="https://feacomp.com/">https://feacomp.com/</a>

## Contact

Name	Charilaos Kokkinos
------	--------------------

## Description

FEAC Engineering is a leading solutions provider in physics-based Simulation Driven Engineering. The company applies simulation & engineering expertise to solve challenging & complex problems and provides state of the art solutions throughout the product development cycle, from concept design & performance simulation to prototype testing.

# INTEGRATED SYSTEMS DEVELOPMENT SA (ISD SA)

## Company

Country	Greece
City	/
Street	
Web	<a href="https://www.isd.gr/">https://www.isd.gr/</a>

## Contact

Name	Constantin Papadas
------	--------------------

## Description

Integrated Systems Development S.A. (ISD) is an independent organization which develops Integrated Systems (IS) that exhibit guaranteed quality and performance. The company works with system houses, software houses and integrated circuit manufacturers and acts as a broad based original electronic equipment developer and integrator. Services provided range from software development for embedded and general-purpose platforms, to digital and analog / RF integrated circuit design. Furthermore, ISD are heavily involved in telemedicine, memory design, digital signal processing for embedded/stand-alone applications as well as PCB design and system integration.

# BROS N.AXAKALIS & CO G.P. - "NAX"

## Company

Country	Greece
City	/
Street	
Web	<a href="https://www.nmw.gr/">https://www.nmw.gr/</a>

## Contact

Name	Nikolaos Axakalis
------	-------------------

## Description

The Machinery Shop "NAX" was established in the year 1957 from the father of the today's owners NIKOLAO AXAKALIS. Initially the main activities were Machining Works of any nature. Quickly the work provided by this shop was extensively recognized by the customers and the collaborators in the in the environment of its activities, since all relationships were oriented on the principles:

HIGH QUALITY & PRECISION

RELIABILITY

CONSISTENCY

# PYLON S.A.

## Company

Country	Greece
City	/
Street	
Web	<a href="https://www.pylon-engineering.com/main_en.htm">https://www.pylon-engineering.com/main_en.htm</a>
