VISITOR'S GUIDE TO B2MATCH

SANA SLOW WINE FAIR 2023

WHY B2MATCH?

- **Flexible Tool** that allows to organize face to face meetings
- All the participants' data registered to Slow Wine 2023 and involved in the matching will be included on the platform
- Chance to create your own company page, uploading your products description and images
- Filters to better search and organize meetings with exhibitors
- The platform will be available in both italian and english language

THE MARKETPLACE

- Participants can create their profile listing details and information, also including images or video for products, services or special request
- Participants can browse, evaluate and select potential partner profiles to invite them

B2MATCH – MEETINGS & NETWORKING

- Professional visitors and exhibitors communicate directly, organize and plan meetings with each other during the booking phase and the event
- Participants will be divided into categories in order to help both visitors and exhibitors during the matching
- Participants can send messages and request meetings to all the potential partner profiles for which they are interested in
- BolognaFiere will monitor on a daily basis the progress of registration, booking and meetings, so that to solve possible problematic cases (no show, meeting shifts, etc)

B2MATCH – HOW IT WILL WORK?

The Slow Wine 2023 Matchmaking session is organized in three steps:

- 1) **Registration:** visitors enrolled to Slow Wine 2023 can register directly on the platform upon the invitation of BolognaFiere; from February 6th it is possible to consult the participants' list and to send messages to interested profiles
- 2) **Booking:** from February 6th till the last day of the event, it will be possible to book and organize meetings (request, confirm, reschedule or delete them)
- 3) **Meeting session:** February 26th, 27th and 28th the meetings planned through the platform will take place in presence at the **Exhibitors booths**

REGISTRATION PROCESS

On the dedicated page of SLOW WINE website you can find the link to SANA SLOW WINE 2023 of B2Match <https://slow-wine-fair-2023.b2match.io/>

VISITOR PROFILE

When creating his own profile on B2MATCH, the visitor needs to fill up his name and surname and then to select the category to which he belongs to.

Afterwards, by selecting **Professional Visitor** you will be able to send and receive meeting requests from **Exhibitors**

Participant Type *

Participation Types are used to group participants by type in order to distinguish them in the system and to apply booking rules (Examples: start-up cannot book investor, buyer can only book seller, exhibitor can only book visitor).

B2MATCH – 1st STEP: REGISTRATION

VISITOR PROFILE

Participant's personal informations: phone number and company position are required.

Please note that those informations will not be seen by any other participants, but they will be used by BolognaFiere to contact you in case of need

VISITOR PROFILE

Company Informations

When creating your profile you will be requested to add some information in order to give a presentation of your company: the process is quick, but we suggest to be as accurate as possible, because these details will be visible to the exhibitors of Slow Wine 2023 (who will use these details to decide whether to ask for or to accept a meeting or not)

VISITOR PROFILE

CONNECTED PROFILES

It's possible to connect multiple visitor profiles of the same company.

Simply select the suggested business name when typing.

By selecting the suggested name the profiles will then be linked and the company information will be filled in automatically. In addition, the information entered by the two profiles (marketplace etc.) will both be uploaded into a single company profile.

MARKETPLACE

As a further chance in this area you can mark some specific products or services you are searching for by filling the Request field within the **My Opportunities** option.

You don't need to enter any data: the "product" area is especially dedicated to manufacturers to present their latest or best-selling products, and it is notably useful in the consultation stage (exhibitors upload info about wines available for tasting at the Event)

Below the header, the form is titled 'New Request'. It features a 'TITLE *' field with the text 'Tuscany wines' and a character count '(13/160)'. Below this is a 'DESCRIPTION *' field with a rich text editor toolbar (bold, italic, link, list, etc.) and the text 'Looking for red tuscany wines'. At the bottom, there is an 'IMAGE UPLOAD' section with a dashed border, a plus icon, and the text 'Add image'. Below the image upload area, it says 'Maximum upload file size: 22MB.'.

B2MATCH – 2nd STEP: BOOKING A MEETING

BOOKING A MEETING

The invited person will receive an email containing the option of accepting the invitation.

The invited person can check the company information available on the profile and decide whether to accept or refuse the invitation.

The decision will appear through a message in the B2Match messages area

B2MATCH – 2nd STEP: BOOKING A MEETING

BOOKING A MEETING

It will be possible to book meetings as long as there will be free meeting time slots (20 minutes each) in the participants' availability.

Please note that the platform can display available meetings only if the buyer and the exhibitor **share at least one session** (if this condition is not satisfied the meeting cannot be booked, but it will be possible to send a message to the person through the process previously showed).

It is very important to **CONFIRM** the meetings: only the confirmed ones can be included in the visitor's and exhibitor's calendar.
