Partner search announcements

15 Searches of partners to collaborate on this topic

View / Edit

LEARs, Account Administrators or self-registrants can publish partner requests for open and forthcoming topics after logging into this Portal, as well as any user having an active public Person profile.

Start submission

To access the Electronic Submission Service, please click on the submission-button next to the **type of action** and the **type of model grant agreement** that corresponds to your proposal. You will then be asked to confirm your choice, as it cannot be changed in the submission system. Upon confirmation, you will be linked to the correct entry point.

To access existing draft proposals for this topic, please login to the Funding & Tenders Portal and select the My Proposals page of the My Area section.

Expertise request Expertise offer

Description: *

Describe in short what type of partners you are looking for (This text will appear in the public tables of requests below your request entry)

500

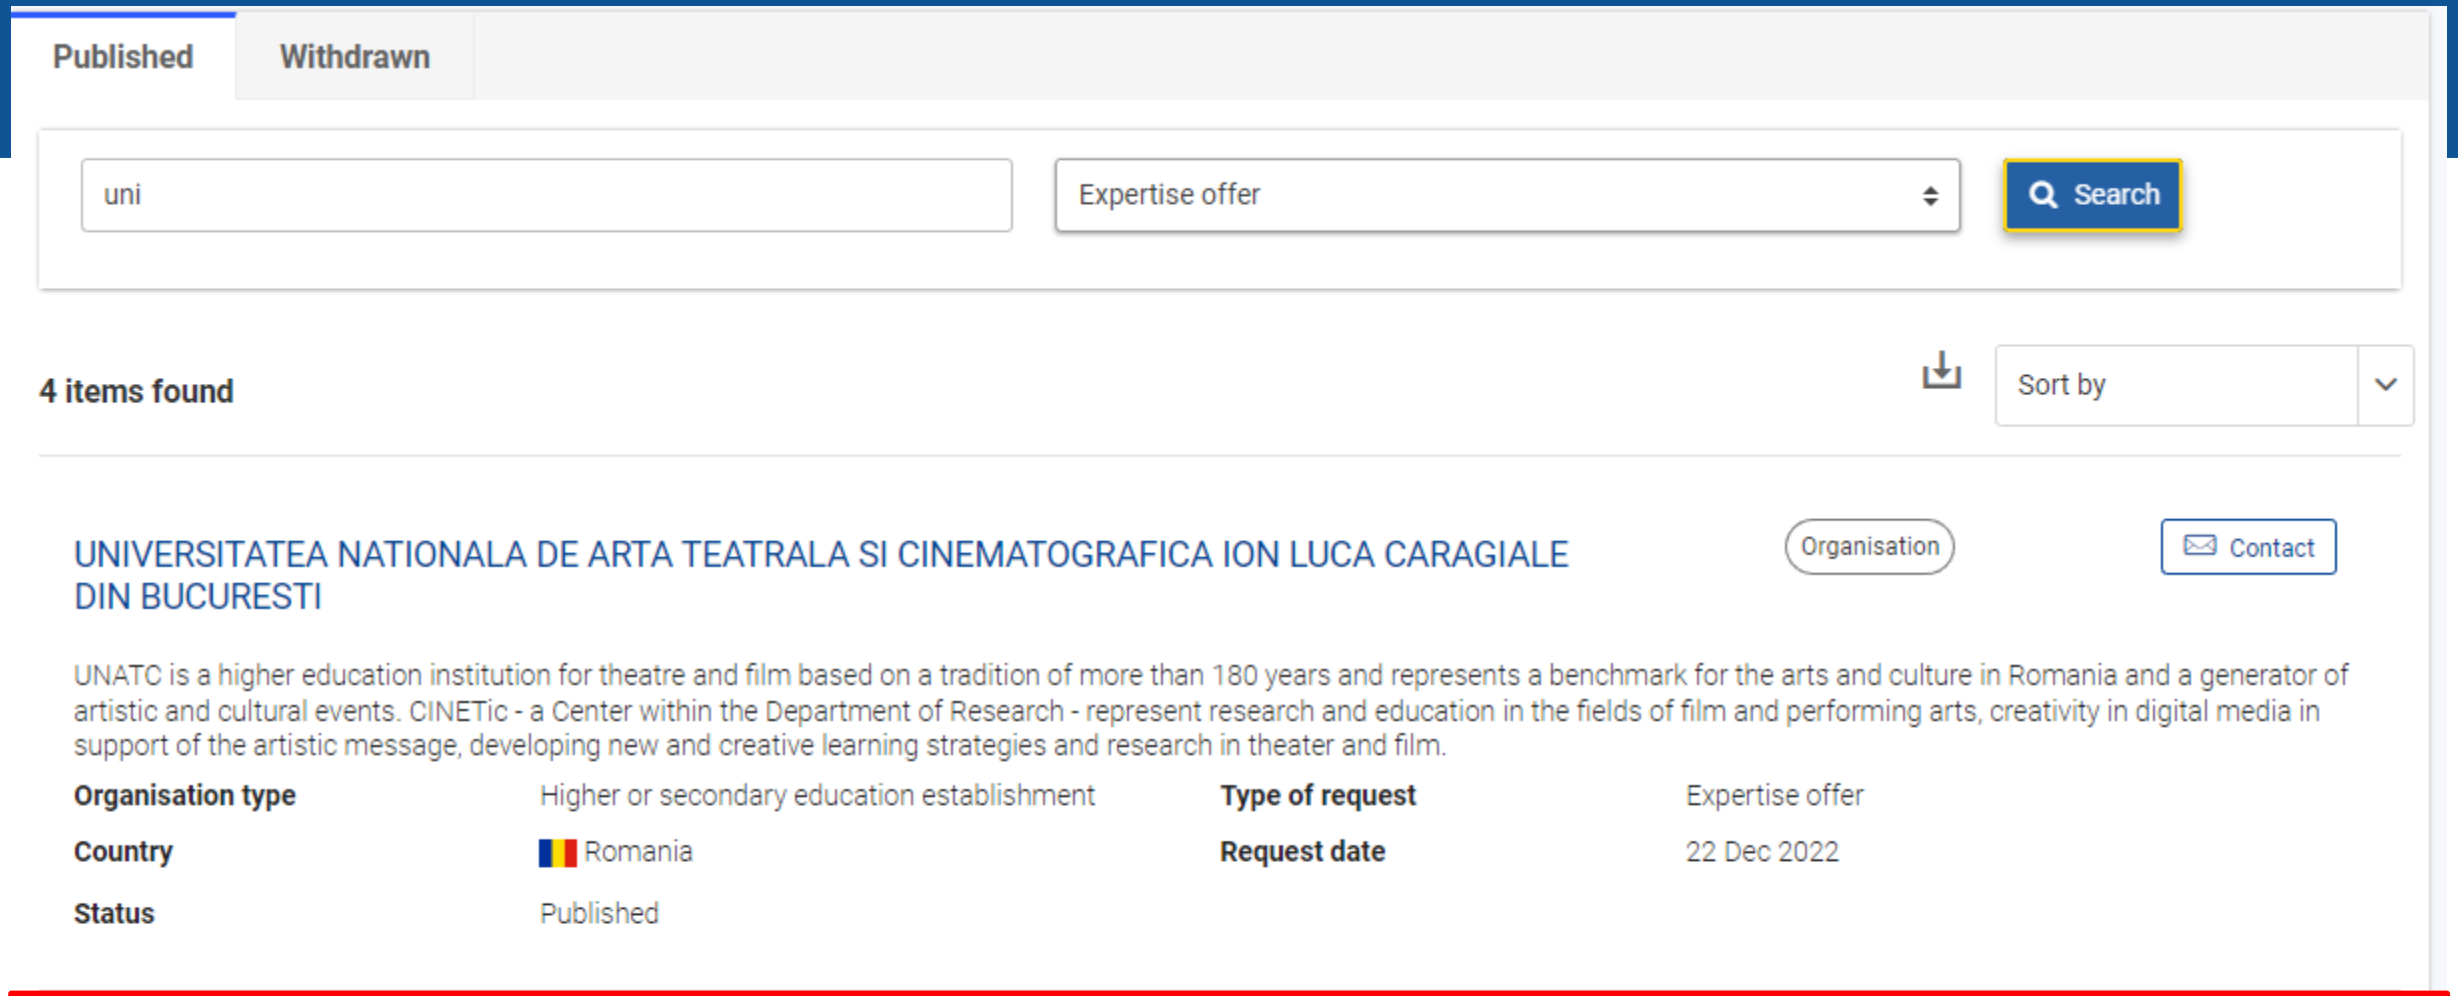
Choose the type of announcement you wish to prepare!

Select your organisation or publish as a person, eg. individual researcher.

Do you offer your expertise to an existing consortium or are you looking for specific expertise?

Provide a short description. You may edit/modify/withdraw it later.

If you do not have an organisation related role: create your person profile!



In each partner search announcement:

You can see the organisation/person`s name, short description, type of organisation, country, date of publication.
You may then **CONTACT** the organisation/person, if you are interested.

My Person Profile

The Person profile allows you to be searchable in the Partner Search of the Portal and to publish Partner search announcements.

- Every user has the opportunity to create a personal profile.

- It is automatically created based on your existing information, if you are registered as an Expert already.

- Person profiles are **NOT visible/public by default.**

- **Add/Edit information** about you (personal information, education, employment, publications, etc.).

- **Decide which pieces of information will be publicly visible.**

- Data is stored and managed in accordance with the GDPR regulations.
