Horizon Europe Cluster 1: Health Brokerage Event

Project Idea / Field of Expertise :

Fast prototyping and development of complete solutions in the field of HealthTech & MedTech

Organisation Name:

Swiss HealthTech Center, part of the company
Switzerland Innovation Park Biel/Bienne AG

Addressed Topic(s) & Call(s):

Destination 5: Unlocking the full potential of new tools, technologies and digital solutions for a healthy society

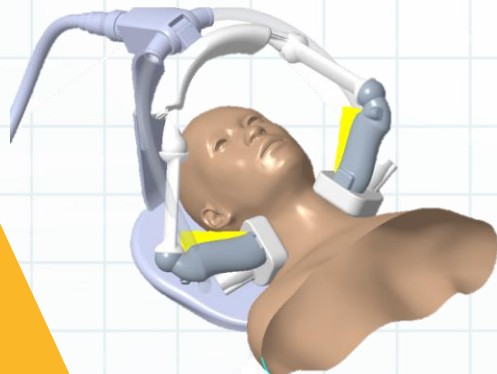

Swiss HealthTech Center

Research group part of the Switzerland Innovation Park Biel/Bienne

- ❖ The Swiss HealthTech Center is specialized in developing **high-quality**, customized prototypes that integrate **cutting-edge technologies** for start-ups and companies already in business
- ❖ With our **fast-prototyping** expertise and a well-equipped infrastructure, we can turn your **innovative** ideas into a reality in a short time frame
- ❖ We challenge our clients to ensure that their product meets the user's needs
- ❖ We have a big experience with the projects funded by the federal government (Innosuisse)

Our expertise

We offer:

- The possibility to rent an office or a coworking space to have a foot in the center of Switzerland and work close to our team
- A team of experts to design and develop your concept, consisting of:
 - Electronics (Hardware/Firmware)
 - Software (multi-platform)
 - Industrial Conception & Design
 - Multiphysics Simulation
 - A.I. & Data Scientists
 - Project Managers
- A sophisticated infrastructure with other research groups
 - 3D printing technologies (Experts in metal & polymer printing)
 - Battery technology (Experts and test center)
