Horizon Europe Cluster 1: Health Brokerage Event

Project Idea / Field of Expertise :

Medical device “pOpmètre”

Organisation Name:

PlutosTech

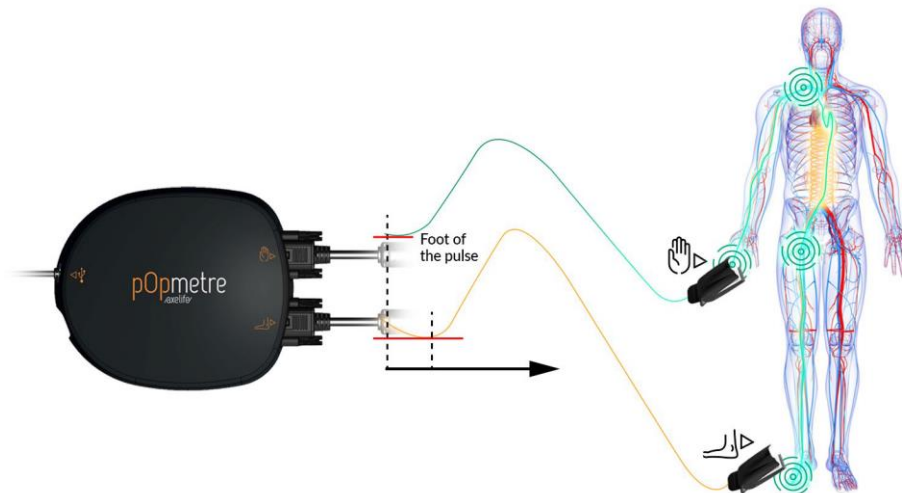

Addressed Topic(s) & Call(s):

- Staying healthy in a rapidly changing society
- Tackling diseases and reducing disease burden

PlutosTech

- PlutosTech is an internationally operating company offering a wide range of services. Our MedTech branch is in cooperation with our affiliate Psymeon. We are the exclusive distributor of the innovative medical device “pOpmètre®” from our partner Axelife for the DACH region (Germany, Austria, Switzerland).
- Team: medical doctors, business managers, engineers

Our project idea / expertise

pOpmètre® (a class IIa, non-invasive medical device) measures:

- The pulse Wave Velocity (PWV) or the age of your arteries
- The central aortic pressure, a reflection of cardiac work
- The arteriopathy of the lower limbs (POAD), the most important follow-up exam in diabetics

pOpmètre® allows the monitoring of hypertension, diabetes, and high cholesterol; it can thus prevent stroke, heart attack and cognitive disorders
