(Maximum size of the file : 2 Go!)

Our project idea / expertise

- Our project idea is to finalize Biocoserv which is currently suitable for use in herbal drinks and we are moving into the next phase to develop a version suitable for wider application.
- We are therefore seeking support to help with:
- Equipment for the production of Bioconserv
- Further development to create a colorless and odorless version in both liquid and powder form suitable for wider application.
- Certification of Bioconserv.
- Entering the National and European market.
