Project: 101057279 — HNN3.0

5 June 2023
Pitching Session

We stand together for the Brain

www.healthncp.net

- **EBC speaks with "one voice":**
 - To raise awareness on brain research
 - To engage with the scientific community at all levels:
 - ⇒ Advances brain research
 - ⇒ Accelerates the translation of brain research and discoveries into application
 - ⇒ Benefits society, citizens and patients
- **Continued interaction with the European Institutions:**
 - ⇒ To build strong European health policies
 - ⇒ To raise awareness on the brain
 - ⇒ To encourage education on the brain and the repercussions of neurological and mental health conditions on society as a whole

Topics of interest

- HORIZON-HLTH-2024-STAYHLTH-01-02-two-stage : Towards a holistic support to children and adolescents' health and care provisions in an increasingly digital society
- **HORIZON-HLTH-2024-STAYHLTH-01-05-two-stage : Personalised prevention of non-communicable diseases - addressing areas of unmet needs using multiple data sources**
- HORIZON-HLTH-2024-ENVHLTH-02-06-two-stage : The role of environmental pollution in non-communicable diseases: air, noise and light and hazardous waste pollution
- **HORIZON-HLTH-2024-DISEASE-03-08-two-stage : Comparative effectiveness research for healthcare interventions in areas of high public health need**
- **HORIZON-HLTH-2024-DISEASE-03-14-two-stage : Tackling high-burden for patients, under-researched medical conditions**
- HORIZON-HLTH-2024-CARE-04-04-two-stage : Access to health and care services for people in vulnerable situations
- HORIZON-CL2-2024-TRANSFORMATIONS-01-09 : The role of social economy in addressing social exclusion, providing quality jobs and greater sustainability

- **Communication:** Raising awareness on the brain
- **Dissemination** of information about brain research and brain diseases in Europe
- **Stakeholder engagement:** Creation of a neutral platform to discuss and promote dialogue between scientists, clinicians, patients, industry and society
- **Research to policy translation:** Interaction with the European Commission, the European Parliament and other relevant international institutions to drive the policy and regulatory agenda through lobbying and influencing
- **Coordination of joint activities:** Workshops and exchange of knowledge
- **Training** on Policy and Advocacy in the EU

Previous and current EU-projects

- EBC as Coordinator: European Brain Research Area ([EBRA](#))
- EBC as Communication and Dissemination Partner:
 - [BRAINTEASER](#) - Bringing Artificial Intelligence home for a better care of amyotrophic lateral sclerosis and multiple sclerosis
 - [PRIME](#) - Prevention and Remediation of Insulin Multi-morbidity in Europe
 - [ASCTN](#) - Training on Advanced Stem Cell Technologies in Neurology
 - [ADDP](#) - Alzheimer's Disease Detect and Prevent
 - [MULTI-ACT](#): A Collective Research Impact Framework and multi-variate models to foster the true engagement of actors and stakeholders in Health Research and Innovation

**Brain
Innovation
Days** 24-25 October 2023
Brussels, Belgium

The Brain Innovation Days bring the brain ecosystem together to foster dialogue, exchange knowledge, accelerate investment in research & innovation and facilitate business development.

www.braininnovationdays.eu

Brain Talks is a podcast produced by Brain Innovation Days, featuring key opinion leaders and stakeholders from the ever-growing brain ecosystem, discussing the latest breakthroughs, ongoing research and other exciting topics related to brain innovation.
