Can you offer what the buyers are looking for?

» Sign up for online prebooked meetings!

Textile Connect is an online platform that facilitates connections between companies, designers, and production partners within the textile industry.

For the fourth time, we are organizing an online matchmaking event where buyers and suppliers can meet and collaborate. The prebooked meetings will take place online between the 30-31 of May.

A selection of registered buyers and what they are looking for

Click at the company name to read more.
